Who has legal custody _____ May non-custodial pick up Child?

If there is an issue with releasing the child to their non- custodial parent, please provide legal documents to support the above response. We will need a copy of the court ordered custody agreement (restraining order) recognizing the parent who has legal custody of the child as well as visitation schedules; otherwise I have no choice but to release the child to the non-custodial parent.

To ensure the safety of the child, please list the other adults whom your child may be released to. Your child will only be released to the persons on this application. Any unknown person will be asked for Picture ID at pick up. We will not accept permission via text to release your child to anyone who is not listed below.

Bright Beginnings Philosophy and Goals

Welcome to Bright Beginnings Childcare. Our goal is that your child will enjoy and benefit from having a relationship with us and receiving care here. We aim to serve the entire family and provide high quality developmentally appropriate care to each child.

We believe children learn through play and having adults around them model appropriate behaviors. We provide many learning experiences for your child as they interact with other children and the staff. This interaction builds positive relationships, teaches them life skills and allows them to have independence. We provide different interest areas inside in the play area and time outside for large-muscle play. We believe children learn best when engaged in active learning, hands on involvement with different materials, equipment and activities. The children are allowed to exercise their freedom of choice throughout the day which helps build self-confidence and teaches responsibility, respect and autonomy because we do require them to clean up their area before going to something new.

Our goal is to provide a safe, respectable home away from home for children and their families. We wish to partner with you to enhance your child's social, emotional, physical, cognitive, and language development. We will help your child gain self-confidence outside the security of their home environment and give them a positive learning experience to prepare them for kindergarten.

Our passion is your children. We welcome your questions and will work with you in your role as a parent in any way possible to create excellence for each child. You will receive a copy of each procedure in this packet and we ask that you refer to it often as it will answer many question you may have. Should you need help with anything additional, please notify me and I will work to find a solution that will meet the needs of both parties. Thank you for considering Bright Beginnings.

Sincerely,

Ramal Winfield

Provider Responsibilities

Bright Beginnings Family Childcare is a Registered Ministry childcare program. We offer developmentally appropriate interaction and activities to support the physical and emotional needs of the children in care. Completely supervised indoor and outdoor play is provided daily. Developmentally appropriate toys and activities are furnished for your children.

We will communicate with you daily and as needed and give you a daily sheet for your infant that will summarize their day. Any information (ie. Closings, Parties, special activities etc.) that needs to be shared about Bright Beginnings will be posted on the Parent Board and communicated online and via text. I will inform you of any changes that may affect your child.

Each classroom is staffed with a teacher who is handpicked to be part of this awesome team of childcare professionals. 50% or more of the staff will have a Child Development Associate, or Degree in Early Childhood Education. They have paid planning during the day to create lesson plans and activities appropriate for their students.

Inclusion Policy

We will work with parents to make adaptations to the activities and environment to assist children with special needs. If children need special services, open communication will be maintained with parents and service providers, including school programs. If desired, service providers are welcome to come to Bright Beginnings to serve your child if it is arranged in advance. This includes therapy visits, nursing, breathing treatments.

Parents' Responsibilities

We expect that you will work with Bright Beginnings to ensure that your child can develop to his or her fullest potential. That you will communicate often about your child's physical, emotional, social, and intellectual growth. Please inform me of any changes in the child's schedule, routine or home environment that will affect school. Parents will provide any special instructions, in writing, for eating, sleeping or napping, allergies, health issues, toilet training, etc. Parents will supply a clean, seasonally appropriate change of clothes, formula, and baby food. If your child is potty training, parents will supply training pants and several changes of clothing for accidents. Parents will bring your child to Bright Beginnings dressed and ready to play! Please provide clothing appropriate for the weather. They will play outside "EVERY DAY" and they will get dirty! Closed-in shoes are required to be worn outside all year. Parents will immediately report any changes in address, phone numbers, employment (place and schedule), changes in persons designated to pick up your child, and any medical information. Bright Beginnings must be kept up to date of all changes in case of emergency.

Privacy/ Confidentiality

I will do all I can to protect your family's privacy. We keep all records and information about your child and family private and confidential unless I have written permission to share specific information. We also ask that you respect the privacy of my family as well.

Open Door Policy

Anytime you feel the need to address a situation, ask a question or need assistance or just to sit and talk, please don't hesitate to contact me. You are ALWAYS welcome to come sit and visit with your child while they are in

care. You are encouraged to eat lunch with them or volunteer some of your time. If you have any complaints about Bright Beginnings, please discuss it with me as soon as possible.

Child Abuse/ Neglect

It is law and also my responsibility as a childcare provider to report any and all abuse or neglect performed and or suspected on a child. I cannot turn my head from a child that is being abused or neglected. A reporter does not need proof, just suspicion based on observation and 1st hand knowledge not hearsay. Therefore, I will notify Child protective Services and the Police when it appears that a child in my care is being physically, sexually, or emotionally abused, neglected or exploited. I will give my name, stick to the facts relying on what I have observed, time of call, person I spoke with and other important information.

Discrimination

We do not tolerate discrimination. Therefore, we will not discriminate against any child, parent, or family for reasons of race, color, sex, age, disability, national origin or public assistance status.

Nap/Quiet time

All children are expected to lie down for a nap time each day (12:30-2:30) We will not force your child to sleep but are expected to lie down quietly. You may bring their favorite blanket to be used just for nap time. Please do not bring other personal toys from home. We will not be responsible for broken or lost items. Infants are not allowed to use blankets in the cribs and will be put to sleep on their back to reduce the chance of Sudden Infant Death Syndrome (SIDS). Sleep sacks can be used up to three (3) months.

Bright Beginnings Family Childcare Program's Safe Sleeping Policy

We provide a Safe Sleep environment for your infant, 12 months and younger. In a safe sleep environment, a baby is placed on the back, alone, inside an approved crib, free of blankets, toys, or bottles. Our environment is also smoke free and at an appropriate temperature.

We allow babies to have their pacifier while sleeping. Tummy time is provided to stimulate growth and development. As baby grows and develops, we will identify their ability to roll over. At this time, we will allow for baby to sleep in desired position.

NO BABIES WILL SLEEP IN CAR SEATS, BOUNCERS, OR SWINGS.

THINGS YOU CAN DO AT HOME

- Practice safe sleeping at home. Babies love consistency.
- Give your baby appropriate amounts of tummy time. This strengthens their muscles.
- Maintain a good sleeping schedule with baby.

For more information on safe sleeping, please visit www.ecalliance.org. Please acknowledge that you understand and accept our Sleeping Policy. We will follow all guidelines set forth by the Office of Early Childhood and Out of School Learning at all time, unless waived by a licensed physician with appropriate documentation. In addition, you received an additional brochure on safe sleep.

Health and Safety Issues

Bright Beginnings strives to provide a safe and respectable place for children and their families. All adults and children are expected to abide by the following rules while on our property:

***Smoking** is **PROHIBITED** on our grounds. Please extinguish any smoking materials before entering the parking lot. Also, no drugs, alcohol, illegal substances and unintended use of toxic substances.

* Children are to arrive clean and fed, unless they arrive before meal time. No outside food is allowed inside the daycare. Please be sure that your child finishes any food you have given them before they come inside.

*You must come inside the daycare when dropping off or picking up your child **EVERYDAY** to sign them in and out. No child can exit from the Play area. It must be from the lobby. Coming in also allows the staff to discuss the day with you. During these times, please do not allow your child to leave until you leave. Please lock your vehicle and do not leave personal belongings visible. Bright Beginnings will not be held responsible for lost or stolen items or vandalism.

***Profanity** is **PROHIBITED**. If any BBC staff feels threatened by your verbal language or body language (behavior), the discussion is over, and you will be asked to leave the premises. If you do not adhere to these wishes, the Police will be called and childcare services for your child will be IMMEDIATELY terminated.

* Communication is key! We welcome questions, feedback or discussions of any kind that affect a positive outcome for your child. If you have a problem, complaint, or concern about the care your child is receiving, please discuss the matter with me personally. Please schedule a conference time to discuss any issues. Drop off and pick up may not be good times for this type of conversation. Please come with an open mind and respect. We are adults and will treat each other accordingly. We will decide, before the conference, if the child or other adults need to be in attendance. We will do everything in my power to resolve the issue.

Minor Injuries/Medical Emergencies

Minor bumps and scrapes are inevitable, but we will make every effort to keep your child safe through supervision and child proofing. Minor injuries will receive appropriate first aid and you will receive an injury report upon pick-up informing you of the incident.

If an emergency injury or illness occurs, you will be contacted immediately. If I am unable to contact you, the parent, I will call the emergency contact numbers supplied to me. If you or an emergency contact cannot be reached, I will make the medical decision for your child, unless doing so endangers your child's life. If necessary,

your child will be transported by ambulance to the nearest hospital. You will be responsible for all costs involved in emergency medical treatment including transportation, if required.

If your child has an accident at home which results in bruising, etc., please let us know that when you bring them in for the day. (See Child Abuse section)

Medications

You must sign a medicine consent form for prescription and over the counter medicines. Handwritten directions, including exact times to be given and the medicines must be in original container. All prescription medicines must be in the original container and must have the (ill) child's name and doctor's name on the label. We will not dispense medicines from a sibling's or other child's prescription.

Illness

We do our best to keep everything clean and sanitized to stop the spread of germs. Unfortunately, children get sick and need to be sent home or kept home because of illness. Please keep your child home if any of the following:

- Vomiting
- Rash or Lice especially with a fever
- Diarrhea with 3 or more watery stools in 24hrs
- An eye infection, pink eye or drainage
- Sore throat with fever or swelling
- Any fever over 100.5
- Sever runny nose with green or yellow snot
- Or if your child is not feeling well in general, lethargic, fatigued, no appetite

If your child comes to daycare with any of these symptoms the parents will be called for immediate pick up. If parent is not available, we will go through emergency contact list to reach someone who can pick up the child. Please have backup care for these instances because a sick child will need to be picked up immediately. The child will need to be 24hrs symptom free before they can return.

Emergency Procedures

Fire drills will be practiced with the children monthly. In addition, tornado drills shall be practiced with the children monthly during the tornado season which is April through October. Completion of all practice drills will be documented.

In the event of a tornado warning, the children will be taken to an inside wall. The attendance form and emergency contact information will be brought along. Parents will be notified that children are safe after the warning has been cleared.

In case of an emergency that would require an evacuation, children will be evacuated through the nearest safe exit to the parking lot or front sidewalk. The attendance form and list of phone numbers for parents and emergency contacts will be taken along to ensure that all children are accounted for and all families notified. Children will be assembled in the parking lot. If we are unable to re-enter after a necessary evacuation, children will go to Joys Gym and parents and parents will be contacted.

If we should lose the use of heat, water or electricity, we will notify all families. Also post a notice on the door and send a notice via text and Facebook. If we should lose the use of heat, water or electricity while children are in attendance, we will contact parents and guardians to pick up their children within the hour. Every effort will be made to keep each child in care. Please understand that unforeseen things happen, it will be the parent's responsibility to find alternate care.

If we receive a verbal or written threat to the building or its occupants (e.g., bomb threat, bodily injury threat, etc.), law enforcement and the parents will be immediately contacted to advise them of the threat. Depending on the nature of the threat, evacuation and/or closure or lockdown may be required.

Damages

It is expected that your child be respectful of the childcare property and furnishings. A certain amount of wear and tear is expected, but if your child intentionally damages through destructive behavior you will be liable for 100% of the replacement/repair cost. Regarding childcare toys and books, the child can either replace with a new item or bring a gently used replacement from home.

Communication with Employees

We have qualified employees who assist in caring for your child. All staff is CPR certified and has taken all state mandated health, safety and childcare training. To reduce the chance of misunderstanding, please communicate directly with me if you have any questions, concerns, if you desire to remove your child or any business-related topics.

Parent Conferences and Parent Evaluations

We will conduct parent conferences on an annual basis in May-Junes and again in December. At that time your child's development will be discussed and we will set goals together for working with your child. Parents will also complete annual evaluations on our childcare services. This feedback will be used to improve our services to you.

Bright Beginnings Scheduling, Late Fee and After Hours Procedures

Here at Bright Beginnings Family Childcare, we are open to provide care **5:30am- 8:30pm Monday- Friday**. A calendar with Holiday and Vacation closings will be on our website and the parent board. Full time care is provided for each child depending on the needs of the parents. If a daily option is needed, it must be the same days each week and only as available for the classroom. Part time care is not always available though we do our best to accommodate different needs and schedules. Although we have extended hours it is very necessary your child is picked up and dropped off at their scheduled times due to staffing and ratio requirements. We do understand some parents do not have a consistent work schedule. If your child needs different hours of care each week, your schedule is due the Thursday before. If your child is not picked up by your scheduled time you will be subject to a \$10 late fee for every 15 minutes you are late. If your child remains at the daycare one hour past pick up time and the parent has not made contact, and all emergency contacts are not able to pick up your child, I will call Child Protective Services at (574)236-5322 so that the child can be placed in Emergency Care. **Late drop-offs do not allow for late pick-ups. Please be sure to communicate with me at least one hour before pick-up time if you are going to be late to pick up your child.** If I am not notified at least one hour before, the above late fee will be due at time of pick up. The Parent/Guardian who enrolls the child is responsible for paying late fee regardless of the failure of any designated person to pick up the child by the agreed upon pick up time.

I will terminate the childcare arrangement for any of the following reasons (but not solely limited to):

Discipline Policy

Here at BBC we take a proactive approach to discipline. We are successful at cutting down on negative behaviors by keeping our kids busy and engaged and them always being supervised. We use positive reinforcement and discuss behaviors in a language each child can understand. When children receive positive non-violent and understanding reactions from adults, they develop good problem-solving abilities and better self-discipline. We use the following techniques:

WE DO

- ◆ Communicate to children using positive statements on their level in a calm manner.
- ◆ Explain unacceptable behavior to children.
- ◆ Give attention and encourage children for positive behavior.
- ◆ Reason with and set limits for the children.
- ◆ Apply rules consistently and model appropriate behavior.
- ◆ Set up the classroom environment to prevent problems.
- ◆ Provide alternatives and redirect children to acceptable activity.
- ◆ Give children opportunities to make choices and solve problems.
- ◆ Help children talk out problems and think of solutions.
- ◆ Listen to children and respect the children's needs, desires and feelings.
- ◆ Provide appropriate words to help solve conflicts.
- ◆ Use storybooks and discussion to work through common conflicts.

WE DO NOT

- ◆ Inflict physical force to the body as a discipline measure, including, but is not limited to, spanking, hitting, shaking, biting, pinching, pushing, pulling, or slapping.
- ◆ Use any strategy that hurts, shames, threatens, intimidates, embarrasses or belittles a child.
- ◆ Use food as a form of reward or punishment.
- ◆ Shame or punish a child if a bathroom accident occurs.
- ◆ Leave any child alone, unattended or without supervision.

Conferences will be scheduled with parents if disciplinary problems occur. If a child's behavior consistently endangers the safety of the children around him/her, then the Director has the right, after meeting with the parents and documenting behavior problems and interventions, to terminate child care. My signature below indicates that I have received a copy of the discipline policy, it has been reviewed with me, and I have read and understand this policy.
